

## Finishes for use on LETObamboo cross-laminated ply and veneers.

We suggest you use non-toxic finishes whenever possible. Bamboo is bio-degradable. Used in conjunction with non-toxic, low/no VOC's, and low formaldehyde emitting finishes, will assist in reducing poisonous additives to the Earth and life. Our aim is to recycle safely, and not to add to toxic, wasteful and harmful landfill.

All the following finishes are for interior applications. We do not recommend the use of our bamboo boards for exterior application.

Brand	Product line	Finish	Application – DIY or Trade/Factory	Comments	Contact details
<b>Natural Oil finishes –</b>					
<b>Characteristics: clean up with turpentine, will deepen or add a warm (gold) hue to the material, longer drying time required, considered more water resistant. Can have an odour before it cures. Non – toxic.</b>					
Livos	KUNOS Natural Oil Sealer #244	Gloss or satin	Brush, roller or cloth <b>DIY or trade</b>	All natural – low pigment level stains and clear natural finishes.	<a href="http://www.livos.com.au/">http://www.livos.com.au/</a> 1/6 London Dr, Bayswater VIC 3153 <b>Phone:</b> (03) 9762 9181
Treatex	Traditional hardwax oil	3 gloss levels available	See manufacturer's instructions and MSDS. <b>DIY or trade</b>	Wonderful finish and tough enough for bench-top applications.	<a href="http://www.whittlewaxes.com.au/home/Home.asp">http://www.whittlewaxes.com.au/home/Home.asp</a> Factory 13, 25 Quanda Road Coolum Beach 4573 Qld. Stockists in each state
Osmo	Traditional hardwax oil	2 gloss levels available	See manufacturer's instructions and MSDS. <b>DIY or trade</b>		<a href="http://www.osmoaustralia.com.au/Products/13/16/Polyx-Oil-02/">http://www.osmoaustralia.com.au/Products/13/16/Polyx-Oil-02/</a> Stockists in each state
<b>Water – based finishes –</b>					
<b>Characteristics: clean up in water, keeps the colour of the bamboo true (doesn't yellow), dries quickly (speeding up time between coats), non – toxic, or less toxic than solvent based finishes; generally low to no odour before cured.</b>					
Dulux	Intergrain	Ultra Clear	Brush, roller or spray <b>DIY or trade</b>	Non –toxic, easy to apply, great transparency.	<a href="http://www.dulux.com.au/specifier/product/intergrain/interior/-doors,-windows-features-/product-detail?product=2042">http://www.dulux.com.au/specifier/product/intergrain/interior/-doors,-windows-features-/product-detail?product=2042</a>
